

THE COUTURIER OF HORLOGERIE

FOR IMMEDIATE RELEASE

MIAMI SHINES EVEN BRIGHTER WITH DIAMONDS

Miami, FL: (February 1, 2009) On the heels of the popularity of Glam Rock Watches' flagship Miami Collection, the company proudly adds a limited edition series to the collection that sparkles with all the glitter of The Magic City – Miami.

Pave diamonds, 18-karat gold, mother of pearl, exquisite leathers and fabrics take the Miami Collection to its highest level... much to the delight of horlogerie enthusiasts. Enrico Margaritelli offers this perspective on the addition to the collection. "As a city, Miami is – and always has been – about glamour, excess, and accessories that make a statement. When you look at fashion in the tropics, there is an increased focus on accessories... big sunglasses, eye-catching jewelry, and watches that truly stand out. The Limited Edition series of Miami is designed to showcase that lifestyle."

Indeed, with watch options which include diamond indexes and numbers, full-face pave diamonds, diamond bezels, diamond case covers, and gold accompaniments, the principle of indulgence has never been so flawlessly executed. With Spring and Summer fashions set to rely heavily on accessories rather than on apparel items, Glam Rock Miami Limited Edition will fulfill the desires of watch lovers, trendsetters, and fashion insiders alike.
